Principal’s Report

League Success
Congratulations to our Under 10’s rugby league team whom last week won the Parramatta District All Schools Knockout Competition. The game was incredibly close and exciting with the boys managing to win in extra time. The team will now go on to play in the State All schools Knockout Competition on Monday, 28th July. Thank you to Miss Hall and our enthusiastic parents who helped out on the day and cheered for the team.

Good luck to the rugby league boys in the Peter Wynn Cup Final being held next Wednesday, 25th June.

Chess
Last week our chess teams represented the school in a competition which was held at Beaumont Hills Public School. Our team came third and Liam 5F was awarded with a medal for first in the team. Well done. Thank you to Mrs Machan for coaching the team and staying back on Friday afternoons to allow the teams to participate in the local competition.

Dance
Good luck to our dancers, both junior and senior, as they compete in The Sydney City Opera House Eisteddfod which is being held at the Opera House this Sunday, 22nd June.
**Cross Country**
Congratulations to all of our students who represented our school and Ridges PSSA at the Sydney West Cross Country Carnival which was held last Wednesday. Ella in 4B came 1st in the 10 year old girl’s event. Well done.

**Violin**
Next **Monday, 23rd June** our violin ensemble will play in the Combined Strings Ensemble which is being held at night time at the Opera House. Good luck everyone and I look forward to seeing and hearing you on the night.

**Walkathon**
Despite a wet start to the day our walkathon was a great success. It was wonderful to see the students wearing their fancy dress clothes while participating in the event. Many thanks to the staff who were extremely resourceful guaranteeing students had a dry track around the school. Many thanks to the large number of parent helpers who enthusiastically stamped cards and cooked a huge number of sausages for the hungry walkers.

**Parent / Teacher Interviews**
Thank you to the parents who have already booked a parent / teacher interview time. These interviews will be held next term and student reports will go home next week providing parents with plenty of time to read the reports before the interviews. Student work samples will be made available at the interview to highlight areas of success or to reinforce areas for consolidation. To ensure teachers have a range of work samples available, books will not be sent home this term as last year many books failed to be returned to school on time.

**P&C Meeting**
Don’t forget the next P&C Meeting will be held this **Thursday, 19th June at 7:00pm** in the staffroom.

**Asia Education Foundation Conference**
This week Mrs Filipic, Mrs Shipley and I attended the National Asia Education Foundation Conference. We had the privilege of delivering some presentations on our bilingual program to an audience of delegates from all over Australia. Several members of the audience asked if they could visit our school following the presentation.

**Parking**
Most parents realise parking is an ongoing issue at Rouse Hill Public School. We ask parents to always be considerate to the rights of our local residents. The school has recently been contacted by a resident who informed the office that it took her half an hour to get out of her driveway as a car was parked across the driveway. She has informed the school that the police will be contacted if this occurs again.

**Hand, Foot & Mouth Disease**
We have received notification of another case of Hand, Foot and Mouth Disease. Please see the attached fact sheet from NSW Health. Teachers will reinforce with students the need for personal hygiene but it would be wonderful if this was reinforced at home.

Kind Regards
David Jenkins

Special RHPS events

Events that had happened or are coming up:

Cross Country
The cross country turned out to be a great day. All of the children who came had so much fun being able to challenge themselves as well as their friends. Thanks to all the parents and teachers who helped with all the big and small jobs!

CHINESE CULTURE DAY

- Chinese dragon dance
- Instruments playing
- Chinese dance
- Magician
- Chinese food at the canteen

K-2 EASTER HAT PARADE

At the Easter Hat Parade there were some terrific Easter hats! Well done to all the clever and creative Mums, Dads and children who gave their time to finish their wonderful hat creations!
Bike Safety Day

The bike safety day was a great day with 3-6 children having to bring a bike to school or watching and cheering the students on! At the bike safety day there were jumps, see-saws and a big obstacle bike track. All RHPS students and teachers would like to thank Miss Torta and the Jet Black Racing Team! We now know how to ride a bike safely and how to put a helmet on properly!

WALKATHON COMING TO RHPS

RHPS are running a walkathon on the 10th of June. On the walkathon day we walk on a track that the teachers will be planning. This is the second time there has been a walkathon at RHPS. We look forward to having another great walkathon at RHPS. We hope to see you there cheering on our great, hard working walkers!

WALK TO SCHOOL DAY

Walk to school day is a day where you can walk to school safely with either your friends or family. Make sure you walk safely. That is including crossing the road safely, watching for cars and listening for cars!
EQUIPMENT IN OUR SCHOOL

At R.H.P.S we have equipment including 2 playgrounds one of them is for K-4 and the other playground is for 3-6. We also have an oval, grass area, quiet area, COLA and Canteen run by ladies that take up their own time making us delicious food!

BILLINGAL STUDENTS OFF TO CHINA

As some of you know R.H.P.S has kind teachers teaching us Chinese during school hours. Two classes in Year Five have been learning it since Year One and have been offered the chance of a life time to go to China. Students in Year 5 that will be in Year 6 next year have been offered to go to China. Students were picked from a draw. Have fun!

Boys Dance Group

There’s a boys dance group in the hall, on Wednesday, at lunch. These are the teachers - Mrs Gregor and Mr Jackson. These are the kids who attend -

- Ryan
- Callum
- Mackenzie
- Hayden
- Anthony
- Lachlan C
- Lachlan W
- Gabriel
- Brayden
- Dylan

The type of dance we’re doing is hip-hop. The song that we’re dancing to is *Let’s Get Ridiculous*.

When we have finished the dance we will dance in front of the school.

Everyone in the group is working really hard, because we’ve done a lot of hip-hop moves.

Autism Awareness Day

On the first of April it was Blue Day. On Blue Day Rouse Hill P.S. had a Jelly Bean Competition. The Jelly Bean Competition was 50c for one guess. It was also a mufti day. We were raising money for Autism awareness.

The ice cream had blue topping. It was a gold coin donation.

There was DELICIOUS ice cream for $1.

KINDY BUDDIES

At the beginning of the year, each Kindergarten child is given a Stage 3 buddy to help them with the challenges that await them at school.

**PLAY AREAS**

At first the Kindergartens were only allowed to play in the quiet area but now they can explore all areas of the playground. They are having fun on the play equipment and in gardening group.

**CLASSROOM ACTIVITIES**

In class they do a variety of things:

- Art and Craft
- Learning how to write their own sentences
- Adding and subtracting small sums
- Singing
- Learning how to read
- Mandarin {Chinese}

**CHILD OF THE WEEK**

On Monday the Kindergarten children have assembly where each teacher will choose a child to be ‘Child of the Week’.

**FUN FRIDAY / THRILLING THURSDAY**

All Year 6 buddies are having fun doing craft with their Kindergarten buddies on Fun Friday or on Thrilling Thursday. The main focus with the craft is letter sounds.

E.g. c for clowns, u for umbrella, i for Inuits, m for mugs of milo.

Electro Attacks The School!

By Daniel 4P, Alexander 4P and Sahaj 4B

One unusual day at Rouse Hill Public School, in the computer room, class 4P and 4B were playing cool maths games on the internet. When they were in the middle of playing Basket Bird they heard a big bang. They started seeing things like a big bang of lightning bolts. It was....... ELECTRO!

Everyone started running out of the room. It was total mayhem. As everyone ran they were praying that Spider-Man would come. As Spider-Man came Electro was electrocuting everything in the school. Spider-Man kicked the window open and kicked Electro into the white board. Electro then got mad and electrocuted the entire room. Spider-Man led him to the oral. Then he told the children on the oral to get off. He made sure that the children didn’t get hurt but instead of them getting hurt he got punched in the face.

After that Spidey took his mask off and then webbed Electro to the top of the soccer post. Electro got mad and started to wriggle out of Spidey’s web. He picked the post up and chucked it at the children but Spider-Man saved the children by just picking up the post in the smallest amount of time and stopped the post from getting the children. Spider-Man looked Electro in the eye and swung to Electro and knocked him down. Spider-Man saved the day! But then Spider-Man and the children saw something green in the sky on a glider with a unusual voice. Once again Spider-Man swung into action but that’s another story!!!!!!!!!!

PSSA WINTER SPORTS 2014
By Simone and Isabella

Wow! What winter winners we have!

Our winter teams this year have been
.......amazafabulous!!! (amazing and fabulous).

The teams you could of tried out for this year are:
Girls and Boys Senior and Junior Soccer
Newcombe Ball
Netball
Rugby League

First round results are in! Here they are!

Wow we’ve had some amazing games and some close calls! All of he teams versed Ironbark Ridge Public School in the 1st week.

- Senior Girls Soccer won with a score of 2-0 and Junior Girls tied with a score of 1-1.
- Senior Boys won with a score of 5-0 and so did Junior Boys Soccer with a score of 2-0!
- Senior Netball won with a score of 21-9 and Junior Netball won with a score of 5-1.
- Boys Newcombe Ball A-Team lost with a score of 11-13 and Boys Newcombe Ball B-Team also lost with a score of 11-13.
- Girls Newcombe Ball A-Team and B-Team both won with an exact same score of 13-11 and 13-10. Wow! What a coincidence!
- Unfortunately, Rugby League didn't play. Ironbark's Rugby League forfeited.

A big congratulations to the teachers for choosing some wonderful teams! The coaches have trained the players very well and we hope they have won all their games! If you see your coach go up to them and say “Thank you coach for training me so well”.

The next edition of the Student Telegraph newspaper will be out in Term 4.

Hand, Foot and Mouth disease

Hand, foot and mouth disease is a common viral infection which is easily passed from person to person. It usually causes a mild illness. Good hygiene helps prevent infection.

Last updated: 03 April 2013

What is hand, foot and mouth disease?

Hand, foot and mouth disease is generally a mild illness caused by a number of enteroviruses, particularly coxsackieviruses. It is usually not a serious illness, and occurs mainly in children under 10 years of age but can also occur in older children and adults. It is not related to the foot-and-mouth disease that affects cattle.

What are the symptoms?

- Enteroviruses such as coxsackieviruses may cause no symptoms at all or only very mild symptoms.
- When symptoms do occur, they include blisters that start as small red dots which later become ulcers. Blisters appear inside the cheeks, gums, and on the sides of the tongue, as well as on the hands and feet. In infants, sometimes blisters can be seen in the nappy area. Blisters usually last for seven to 10 days.
- Children can sometimes have a low fever, irritability, sore throat, tiredness, feel off colour and may be off their food for a day or two.
- Very rarely, the enteroviruses can infect the lining of the brain and spinal cord (known as viral meningitis) or other parts of the body.

How is it spread?

- Hand, foot and mouth disease is usually spread from person-to-person through faecal contamination (which can occur when changing a nappy or using the toilet and not properly washing hands afterwards), or spread through respiratory secretions (saliva, sputum, or nasal mucus) of an infected person. It is also spread by secretions from the mouth or respiratory system, and by direct contact with the fluid from blisters.
- With small children, sharing of toys that may have been in another’s mouth can also spread infection.
- It usually takes between three and five days after contact with an infected person before blisters appear. The viruses can remain in faeces for several weeks.

Who is at risk?

- The viruses that cause hand, foot and mouth disease are common and particularly affect children.
- Many adults, including pregnant women, are often exposed to them without symptoms. There is no clear evidence of risk to unborn babies from hand, foot and mouth disease. However, infected mothers can pass the infection onto newborn babies who rarely can have severe disease.

Hand, Foot and Mouth disease

- Outbreaks may occur in child care settings.

How can it be prevented?

- Good hygiene is the best protection. Wash hands with soap and water after going to the toilet, before eating, after wiping noses, and after changing nappies or soiled clothing.
- Avoid sharing cups, eating utensils, items of personal hygiene (for example: towels, washers and toothbrushes), and clothing (especially shoes and socks).
- Thoroughly wash any soiled clothing and any surfaces or toys that may have been contaminated.
- Teach children about cough and sneeze etiquette
  - Cough and sneeze into your elbow (rather than your hands) or cover with a tissue
  - If you use a tissue to cover your nose and mouth, put the tissue in the bin straight away
  - Wash your hands afterwards with soap and water

How is it diagnosed?

The doctor can diagnose hand, foot and mouth disease based on the symptoms. Laboratory tests are not usually necessary.

How is it treated?

- Usually no treatment is needed. Paracetamol will relieve fever and discomfort. Do not give children aspirin.
- Allow blisters to dry out naturally. The blisters should not be deliberately burst because the fluid within them is infectious.
- If the headache is severe, if fever persists, or if you are worried about other symptoms, consult a doctor.

What is the public health response?

Hand, foot and mouth disease is not notifiable. Children with hand, foot and mouth disease should be excluded from school or childcare facilities until their blisters have dried.
To help prevent spread, parents should report the illness to the director of the childcare centre or school principal.

For further information please call your local Public Health Unit on 1300 066 055

Learning and fun outdoors!
Looking for a fun and healthy school holiday activity that won’t break the bank? Get your kids off the couch and unhooked from the iPad with a Sport and Recreation Centre holiday program.

Sport and Recreation Centres are government-run facilities. These overnight and day adventures are offered in great Australian bush and coastline locations for kids aged 5 to 16.

See your child blossom
Our programs use challenging, adventurous activities to help kids develop independence, self-esteem and social skills.

Under the supervision of friendly and qualified staff, conquering these age-appropriate challenges can help kids develop confidence as they master new skills and make new friends.

Our affordable school holiday packages include all activities, accommodation, nutritious meals and 24-hour supervision. Supervised transport is also available to and from most camps.

Sport and Recreation Centres: getting kids active outdoors for over 60 years.

Active learning for life...
