"Meet the Teacher"

Parent Information Evenings

Dear Parents and Caregivers,

On Tuesday 17th February (K-2 and support classes only) and on Wednesday 18th February (3-6 classes only) we will be hosting "Meet the Teacher" parent information evenings. The purpose for hosting these information evenings is to enable your child's class teacher to inform you about whole school directions as well as details about specific teaching/learning programs, class needs and individual requirements for your child's class. Such information will include: units of work, excursions, homework expectations, parental support, student requirements, and so on.

All information sessions will commence in the Hall at 7:00 pm where general information will be provided. Teachers will then provide you with information specific to your child’s class programs in the classroom. It is anticipated that we will be finished by 8:30pm at the absolute latest.

The evenings are designed for parents/caregivers. It would be greatly appreciated if you could arrange suitable childcare for your son/daughter.

It should be noted that the evenings are NOT an opportunity for parent/teacher interviews. If you have any questions about your child's progress we encourage you to make an appointment with your child's teacher. We thank you for your cooperation in this matter.

Kind Regards

Alison Filipic/ Debbie Cleveland
